'An Evening in Bloom'

Girls Inc. of Carpinteria will host its fourth annual "An Evening in Bloom" from 5:30 to 10 p.m. Saturday at Westerlay Orchids, 3504 Via Real in Carpinteria. The gala features a cocktail and hors d'oeuvres hour, red carpet photo reception, dinner buffet, hosted bar, live and silent auctions, and live entertainment. Proceeds will support Girls Inc. of Carpinteria. This year's event honors Betty Brown, who spearheaded a critical capital campaign in the 1980s to raise funds for a new facility that tripled Girls Inc. of Carpinteria's programming capacity. Sylvia Martinez, an alumna of the organization, will be featured speaker. Honorary chairs are Victor and Susan Schaff. Tickets are \$125. Cocktail attire and black tie are encouraged.
