### **Girls Inc. preps for Women of Inspiration**

Girls Inc. of Carpinteria has invited the community to get inspired. For its annual Women of Inspiration luncheon on Monday, April 13, at 5315 Foothill Road, guest speaker Sarah Kaba Jones will present on FACE Africa, a community development organization she founded to strengthen water, sanitation and hygiene infrastructure and services in rural communities across sub-Saharan Africa. Due to traditional gender labor roles, women in these communities spend around 60 percent of each day collecting water, a responsibility that takes away from their ability to secure an education or generate income. Co-chairs of this year's event are Nancy Koppelman, Nini Seaman and Sandra Tyler. For more information, contact [Erica@girlsinc-carp.org](mailto:Erica@girlsinc-carp.org) or call 684-6364.
