New faces join Girls Inc. board

Stefanie Herrington was appointed recently as president of the Girls Inc. of Carpinteria board of directors, which also grew by two members, Micheline G. Miglis and Diane Wondolowski

Herrington is a partner in the law firm of Bartlett & Herrington, P.C., in Carpinteria. She assists clients with estate planning, trust administration and probate matters. She joined the board of directors at Girls Inc. in 2012 and has served as the event co-chair of the organization's largest annual fundraiser, An Evening in Bloom, for three consecutive years.

"I am committed to Girls Inc. and its mission — inspiring all girls to be strong, smart and bold," said Herrington. "I believe in the power of altering a child's future by showing her that the world is full of diverse opportunities and providing the support necessary to achieve success."

Miglis was hired last summer as superintendent of the Carpinteria Unified School District. Prior to that, she held various positions throughout California, including that of superintendent of the Plumas Unified School District and assistant superintendent of educational services at Silver Valley Unified School District. She has a Bachelor's degree in Spanish language and literature and a Master's degree in counseling psychology.

Wondolowski, a U.C. Berkeley graduate, is COO and CFO of the Santa Barbara Museum of Natural History. She became a CPA in San Francisco, and has since dedicated her skills to the volunteer boards of several organizations, including California Association of Museums, CalCPA, California Association of Student Councils, the Environmental Defense Center, Friends of the Carpinteria Library and Save Ellwood Shores.
