FEATURING KEYNOTE SPEAKER

Karina Jougla

Karina Jougla joined Girls Inc. in kindergarten and later served as a volunteer and counselor. She received two national college scholarships from Girls Inc. Karina credits Girls Inc. with giving her the inspiration and confidence to pursue a career advocating for gender equality and human rights. Karina currently serves as a Marketing Associate at the New York City office of the medical humanitarian nonprofit Doctors Without Borders. In her spare time, Karina enjoys reading, exploring New York City, and going to the beach as much as possible (which is a little more difficult in NYC than Carpinteria).
